

# THE CONSTRUCTION CORNER

THE OFFICIAL NEWSLETTER FOR PVN CONSTRUCTION

September 24, 2021

Vol. 44

## WINDOW INSTALLATION CONTINUES AT THE HAWTHORNE

### PROGRESS IN THE CORRIGAN BUILDING

**Left (Top)** - Corrigan porte-cochere first concrete pour.

**Left (Bottom)** - Stone installation outside of the Corrigan dining rooms.

**Right** - HVAC being installed in the Corrigan dining rooms.

### WHAT TO EXPECT WHILE THEY'RE CONSTRUCTING

*A Guide to Construction at PVN*

SEPTEMBER 27 - OCTOBER 1

- The Hawthorne:
  - Continue installing windows.
  - Begin installing insulation on level 5.
  - Resume sheetrocking on level 5.
  - Proceed with mechanical work on levels 1, 4 and 5.
- The Corrigan building:
  - Commence work installing a fountain at the porte-cochere entry.
  - Begin mechanical work in the dining rooms.
  - Install HVAC in the classroom and foyer entryway.
  - Continue masonry outside of the great room.
