Vol. 56

A FRESH START IN THE NEW CORRIGAN

BEFORE

AFTER

Construction in the Corrigan building began the week of January 11, 2021. Since then, Presbyterian Village North (PVN) and Andres Construction have carefully worked to bring residents a space that they will enjoy. The Corrigan building began its phased opening on December 20, starting with the new entrance and front desk. We look forward to opening the full building soon!

WHAT TO EXPECT WHILE THEY'RE CONSTRUCTING

A Guide to Construction at PVN

JANUARY 3 - 7

- The Hawthorne:
 - Continue installing bathtubs and shower flooring.
 - Proceed with countertop and carpet installation.
 - Finish mechanical and electrical work.
 - Continue exterior masonry. The south scaffold will come down this week.
- The Corrigan building:
 - Finish landscaping work.
 - Begin work on the existing pond.
 - Proceed with any outstanding work that needs finishing in the open parts of the Corrigan.
